### ***Attention all Exhibitors!!***

We are both excited and honored to hold our specialty at the lovely Crown Plaza Louisville Airport Hotel in Louisville, Kentucky. The Crown Plaza has become a wonderful partner to both Kennel Clubs and National Specialty Clubs over the years. It is our hope that this relationship will continue for many years in the future.

Due to damages caused by exhibitors following a recent specialty that resulted in several rooms having to be totally stripped and redone, our relationship with the hotel could be in jeopardy. We have been asked by the hotel to set up guidelines for all current and future exhibitors that will help make it possible for the hotel to continue to allow shows to be held on their property in the future.

To help both the hotel and our fellow exhibitors we will strictly enforce the following rules:

- Plastic must be placed under all crates. If you do not have plastic, please see the front desk.
- Dogs may not be bathed in the hotel room bathtub.
- Guests may not refuse cleaning service for more than 48 hours (no exceptions to this rule)
- All rooms are subject to examination by hotel staff and members of the show committee.
- Exercise your dogs only in designated exercise areas. You are responsible for cleanup.
- Before you check out, your room must be inspected by designated hotel staff and if needed, a member of the show committee. To save time, schedule an appointment at the front desk.
- Damage to the hotel rooms or grounds will be considered "impairing a club's ability to retain a site" and will be **grounds for an event hearing in accordance with AKC's Dealing with Misconduct Regulations. This can result in event suspension from 3-6 months and fines from \$100.00-\$1,000.00**
- Hotel guests are personally responsible for any damages to the hotel facility by their animals. Under no circumstance will the Club be held responsible or liable for any damage caused by individual guests.

## ROUTES TO EVENTS

Louisville International Airport, The Kentucky Exposition Center (Fairgrounds), and the Crowne Plaza host hotel (Phillips Lane) are all located at the intersection of I-65 and I-264 (Henry Watterson Expressway). Side entrances to the Kentucky Exposition Center are off both Crittenden Drive and Preston Highway (KY 61).

From the North--take I-65 south

From the East--take I-64 or I-71 west

From the South--take I-65 north

From the West--take I-64 east

All intersect with I-264 which is the beltway around Louisville

## 2016 COLLIE CLUB OF AMERICA NATIONAL SPECIALTY SHOW ATTENTION EXHIBITORS

**The show site will be open at 5:00 am Tuesday through Saturday.**

**All doors will be locked at 11:30 pm each night.**

The Collie Club of America advises all exhibitors that they are responsible for picking up after their dogs both inside and outside. The Rose Garden in front of the facility is OFF LIMITS to dogs.

Dogs are not allowed in the front lobby. Exhibitors must enter from the rear (north) side of the West Wing or through the loading dock door. Parking is available on the north side.

You have a responsibility to conduct yourselves in a manner that presents the sport of dogs and the Collie Breed in the very best light. Each and every time you appear in public with your dogs you have the opportunity to make a positive and lasting impression.

**THE WEST WING MUST BE VACATED BY MIDNIGHT SATURDAY** Those having RV reservations for Saturday will not have to leave until Sunday afternoon.

Use a common sense approach when visiting out of your home state by making sure your Collies are up to date on all vaccinations. Be especially cautious with your young puppies as they are at the highest risk of disease. Use common sense practices in housekeeping by daily disinfecting your equipment and grooming areas both at shows and when you return home. Pay close attention to where you exercise your dogs avoiding high traffic areas. Seek immediate veterinary medical assistance if your dogs show any signs of illness both at the shows or when you return home. "Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations." Consult your own veterinarian about heartworm protection. It will be warmer in Kentucky than in some other areas of the country and ticks will be out.

No person shall carry or transport into the "premises" any beer or other alcoholic beverages except for delivery to the licensed retailer of same, located on the "premises" or except with specific permission of the Kentucky Exposition Center Board. Violation of any of the foregoing will be punishable as provided by law.
